I'm a dominant bitch, and I offer a range of services to cover the needs of all you needle dicks out there.

I'll dominate you over the phone, control you via live chat or humiliate you via webcam. There is no escaping the fact that you are just an inferior fuck-pig and that you should crawl at my feet.

When you contact me to book a session it is important you make what you want, your desires, fantasies, limits and expectations and I will make sure you get what you deserve during the session.

Here are some examples of what I offer:

Financial Domination

Start paying up and spoiling me and you will get the humiliation and treatment you deserve. If you can't keep paying you'll be dropped like shit and left out in the cold. Don't play with the sharks unless you have the balls.

Humiliation

Maybe you've got a tiny cock?, maybe you like to wear women's panties, maybe women run a mile when they see you. It doesn't matter what sort of loser you are , just remember I will humiliate you and make you degrade yourself for my pleasure and you will pay me for the privilege of me laughing at your tiny cock. You'll get everything you deserve and you'll be at my mercy.

Chastity

Small cocked slaves and piggies should only cum when Mistress allows - which isn't going to be very often , lets face it. You will place yourself in chastity and send me the keys. When you've served the minimum amount of time or you've earned a reward I will send you a key back so you can stroke that little cock of yours. Once you've given another nice tribute to your Goddess I'll send you a new lock and key and you'll be all locked up until the next time I let you play with yourself.

Sissy Maid

I will dress you up in a bra and panties, nylons or stockings and get you into a nice maid outfit. I'll teach you how to apply makeup and feminize your body and act all girlie. Once I'm satisfied that you can look and act like a girl I'll show you how to be fucked like one as I train you with butt plugs and dildos.

Bondage, Pain & CBT

You will lick my boots before I tie you up and then torture you with either the whip, crop or paddle. Perhaps you'd like some hot candle wax on your nipples, cock and balls? Maybe you'd like pegs or clamps on your nipples as I make you

ride a big dildo?, maybe you'd like to worship my ass as I sit on your face... or just maybe you want a good kick in the balls?

So, you have some examples of what I can do to you. Now, here are the ways it can happen and the minimum I expect you to give as tribute for my time and attention.

Phone 1-2-1

One to one phone can be arranged and I can provide you a UK, USA or Spanish number to call me on. These numbers are only active for booked time periods and are made available upon booking. Contact me to discuss how to pay and book. The cost is 35 euros/ 25 pounds per ten minutes. Minimum of ten minutes. If you prefer, I can arrange a call through Niteflirt although this might cost you more, plus long distance.

Live Chat

Live chat is available via IM. Sessions are available for 30 minute blocks at 40 euros/30 Pounds per half hour.

Live Chat with Webcam

Live chat with webcam via IM. Sessions are available for 30 minute blocks at 75 euros/50 pounds per half hour.

Please note if you cum within 30 seconds and you have booked 30 minutes that is your problem, not mine.

Introductory Chat

I require all new slaves to talk to me about their desires, fantasies, limits etc so I can get to know them before a session. This is done by email or Live Chat. The minimum tribute for this is 15 euros/10 pounds and I will allow spend up to 20 minutes with you. This is a once off rate for a once off introduction session.

How to tribute

See my tributes page on various options. The above are the minimum tributes I expect for my time and attention. You can tribute through a gift (wishlist) or making a direct tribute.

How to book a session

For your first introductory session, you should make a tribute first and then contact me by email or IM. IM is preferred to avoid lots of emails going back and forth.

To book a session, you can contact me via this website, IM or by email to costablancamistress@hotmail.com . Remember if you contact me by IM I will only discuss booking and how you can pay your tribute. To discuss your needs you must book and pay for an introductory session.

Once your session has been booked and I have received the appropriate tribute I will confirm to you the time/date and enjoy.
